

Côtes du Rhône White 2022

“Aged in oak barrel”

Location / Climate

Mediterranean-influenced climate. Summers are hot and dry. The 2022 vintage was rather early (like 2020), stress and water deficit caused the vines to suffer during the summer. However, the long-awaited rains of September made it possible to obtain a good and quality harvest. The wines are fresh and fruity, and present beautiful aromatic profiles.

Terroir

On the terraces below the hillsides of Vinsobres, a soil made up of clay and small spreading of pebbles allowing good ventilation of the vines, and good exposure to the sun.

Grape Varieties

White Grenache (80%) – Marsanne (10%) – Viognier (10%)

Age of vines – Yields

The vines are 5 to 10 years old. They are cut in cordon de Royat. Yields do not exceed 30 HL/ha, allowing us to obtain quality wines with high aromatic concentration.

Vinification and Ageing

Our white grape varieties are exclusively harvested by hand in small 10 kg boxes, this allows the healthiest berries to be sorted directly on the vine. After that, the bunches undergo a total destemming.

Direct pressing allowing extraction of juices, followed by alcoholic fermentation which takes place in temperature-controlled stainless-steel vats. Then enters the ageing period in 225L oak barrels for a period of 6 months, bringing roundness and a good aromatic structure.

Between 2 and 5 years
