AOP CÔTES DU RHÔNE

WHITE 2024

D<sup>S</sup>V Domaine Saint Vincent  
VINSOBRES

## Location/Climate

The commune of Vinsobres enjoys a Mediterranean-influenced climate, with hot, dry summers. Despite weather conditions that required a lot of work in the vineyards, the 2024 vintage looks very promising, with fruit, tension, and balance.

## Terroir

On the terraces below the hillsides of Vinsobres, a soil made up of clay and small spreading of pebbles allowing good ventilation of the vines, and good exposure to the sun.

## Age of vines/Yields

The vines are 5 to 10 years old. They are cut in cordon de Royat. Yields do not exceed 30 HL/ha, allowing us to obtain quality wines with high aromatic concentration.

## Vinification and Ageing

Our white grape varieties are exclusively harvested by hand in small 10 kg boxes, this allows the healthiest berries to be sorted directly on the vine. After that, the bunches undergo a total destemming. Direct pressing allowing extraction of juices, followed by alcoholic fermentation which takes place in temperature-controlled stainless-steel vats. Then enters the ageing period in 225L oak barrels for a period of 6 months, bringing roundness and a good aromatic structure.

## Nose

A flattering, aromatic nose, reminiscent of the typical Viognier grape variety (fresh flower/yellow fruit), all topped with delicate aromas of white pepper.

## Palate

The attack on the palate is fresh and full of vivacity, all bringing aromas of peaches and white flowers. Subtly dosed woody notes enhance the tasting. The whole offers a perfectly balanced wine full of elegance.

## Wine and food pairing

Accompany a dinner aperitif, green asparagus, dry goat cheese.
